1 67. Ferris is of course well aware of all of the background factual history set forth
2 above in this Declaration that establishes beyond credible dispute that she well understood and
3 repeatedly confirmed that the Publishing Agreement applied to (in Bemiss' phrase in the
4 Bemiss Announcement) "2 volumes." And yet, albeit without providing a shred of support, she
5 states the opposite in her Declaration. It is my hope that the underlying truth – whether my
6 assertions or Ferris' are true or false -- can independently be established as promptly as
7 possible, and I hereby pledge to cooperate fully in any and every such undertaking.

8 Dated: July 20 2022

Gary Groth
